Before Your Trip

Dear Family/Friends,

I have some exciting news to share – I'm going on a medical mission trip to Guatemala with Faith In Practice. I will serve on a team that will provide urgently needed care to patients.

As a volunteer, I pay for my travel fees and stay in Guatemala. However, my team will rely on donations to fund expenses like medicines, supplies, patient care and transportation to make this mission possible. Your gift will make a meaningful difference in the lives of those we serve in Guatemala by making it possible for us to expand healthcare to those most in need through community-based health programs, increase access to specialty primary and surgical care, and greatly enhance our efforts to bring health and wellness to the underserved in Guatemala. Your support of Faith In Practice is deeply, deeply appreciated and makes a tremendous difference in the lives of those we serve. (If you've volunteered in the past, consider sharing a patient story and your experience on that trip to illustrate the impact of your work.)

If you would like to join me in this mission by making a donation, I would greatly appreciate your support. Every dollar makes a difference in the lives of these patients. You can give by any of the following methods:

- Visit my online fundraising page
- Send a check to Faith In Practice at **1140 Business Center Drive, Suite 535, Houston, TX 77043**. Please be sure to include my name and trip number at the bottom of the check so the gift will be credited to my fundraising page.
- Call Faith In Practice at **713-484-5555** to make a donation over the phone.

Thank You

After Your Trip

Dear Family/Friends,

I am home now after my life-changing mission trip and I wanted to thank you for partnering with me to provide medical care for God's children in Guatemala. It was awe-inspiring to see the compassion and care our team provided for people in need and the gracious smiles of hope we received in return. Through your financial support and prayers, you touched lives and changed them. Because of you who partnered with me in this mission, they received the desperately needed medical assistance they prayed would come. Serving with Faith In Practice has changed my life and the lives of so many patients and it wouldn't have been possible without you.

Before Your Trip

Hello Family/Friends! I will be traveling to Guatemala to serve on a medical mission trip to care for patients in need. I've paid my costs associated with the trip but I need your help to complete the mission. The donations we receive will go directly towards funding the medicines, supplies, patient care and transportation. By donating to Share The Mission, you have an opportunity to be a miracle in the life of a child who has never been able to walk due to a deformity or provide life-saving cancer screening to a mother who has never seen a physician. Please join me in supporting Share The Mission and giving much needed healthcare to the underserved of Guatemala. [INSERT LINK TO PERSONAL PAGE]. #LifeChangingMedicalMission #Guatemala

Hello Family/Friends! Soon I will be participating in a medical mission trip to Guatemala. I will be partnering with Faith In Practice, who has provided medical care for the less fortunate in Guatemala for thirty years. Our team will serve some of the most vulnerable people who have patiently waited for much needed life changing medical care.

Without donations, we simply would not be able to provide our services and programs to our patients in Guatemala.

I invite you to join me if able in sharing in the mission of Faith in Practice by making a donation that will support our team efforts. Thank you for considering supporting our mission and may God bless you this year in a meaningful way.
