

MAKE YOUR PAGE PERSONAL

YOUR STORY MOVES THE MISSION

Your fundraising page is more than a place to collect donations. It is your opportunity to help family, friends, colleagues, and your broader community understand why you serve and why their support matters.

WHAT TO SHARE

Why you serve:

Tell people what draws you to Faith In Practice and why this mission is meaningful to you.

What their gift supports:

Connect giving to the real resources required to make mission service and patient care possible.

Your goal:

Let supporters know you are working toward a \$2,500 individual goal as part of your team's \$40,000 goal.

Your progress:

Post updates, photos, or videos and celebrate milestones as you move closer to your goal.

An invitation:

Ask people not only to give, but also to share your page and help expand the Faith In Practice community.

YOUR STORY MOVES THE MISSION

Don't wait until your mission is close to begin sharing. Personalize your page, share why you serve, invite family and friends to join you, and provide updates along the way.

\$2,500

Individual Goal

\$40,000

Team Goal

Approx. \$3,710

Cost per Volunteer

Every gift matters. Every story shared expands our community.
Every person invited has an opportunity to become part of this work.

The mission moves through all of us.
